New 4 star Clarion Collection Hotel opens its doors for business in St Albans

Zeal Projects are pleased to announce the completion of the refurb works on behalf of Avantis Hotels in creating the new 60 bed 4 star Clarion Collection Hotel in St Albans.

The work included a complete redesign & refurb of the public areas. This, along with the bedroom refurb undertaken, elevates the business from originally a 2 star Comfort Inn to a new 4 star Clarion Collection Hotel which now appeals to the much wider corporate & leisure markets.
